

RIM/WRP Program

RIM-WRP is a local-state-federal partnership that combines the state's Reinvest in Minnesota Reserve conservation easement program with the USDA Wetlands Reserve Program. Combining these two programs allows state funds to leverage federal funds that are available through the Federal Farm Bill. Funding for this partnership is through the USDA Natural Resources Conservation Service (NRCS) and the Minnesota Board of Water and Soil Resources (BWSR).

Eligible lands:

Wetland restoration areas: lands containing legally drained wetlands that are feasible to restore to their pre-drainage condition.
